

COVER LETTER

Respected sir/ma'am

I am Shalinee Badoni, pursuing M.Tech at National institute of technology Hamirpur. I would like to apply for the post of Asistant Professor in your prestigious organization.

After reviewing the position requirements, I believe that my qualifications and educational pursuits are a great fit as the kind of candidate you are looking for.

I have pursued B.tech in Electrical engineering from College of engineering Roorkee with honours and I was awarded silver medal for academic excellence during graduation, I also have qualified GATE and currently doing Master of technology .

My education has given me a great foundation of knowledge and skills. I learn new technologies quickly and apply those abilities to improve the work I do. Additionally, I belive in technology-based teaching, academic advisement and in-class lecture creation.

I have a resourceful approach to problem-solving, tackling challenges head-on and consider obstacles learning experiences. I'm a people-person with high energy and a lot of ambition. I would be honored to join your institute.

I have enclosed my CV for a detailed study of my skills and achievements for your reference. I belive I can be a valuable addition to your educational institute. I would welcome an interview and hope to hear from you at your earliest convenience.

Thanking you

Yours faithfully

Shalinee Badoni
