

REGISTRATION FORM

The Director
Dev Bhoomi Uttarakhand University
Manduwala, Dehradun.

Dear Sir/ Mam

I would like to enroll as a delegate in the conference entitled
**Covid-19 Pandemic and Current Solutions
to Mitigate the Challenges**

Name (In Block):.....

Designation:.....

Institutional/Industrial Address:.....

Residential Address:.....

Mobile No. :

E-mail:

E Payment Details:

Date:

Place:

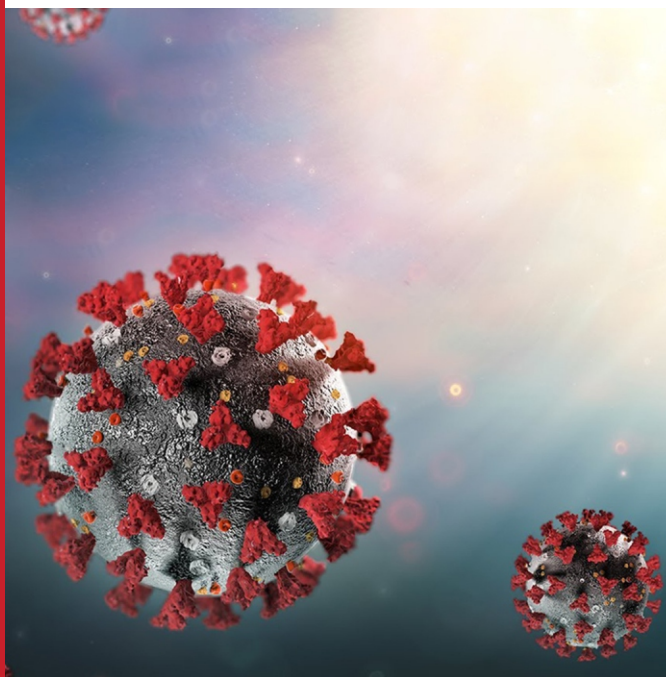

Call for Papers/Abstracts

Abstracts:

Delegates are requested to submit their abstract via e-mail at conference@dbgidoon.ac.in and publisher@biotechkiosk.com on or before **10 September 2021** and full length manuscripts on or before **20 September 2021**.

Abstract should not exceed 200 words with the titles of the paper, author's name, contact no, e-mail id and Affiliation.

Article Format

Conference Time-line:-

Tentative Timings:
10:00 AM to 12:30 PM (FIRST SESSION) IST.
2:00 PM to 4:30 PM (SECOND SESSION) IST.

Paper Submission Start : 15th September 2021
Paper Submission Deadline : 20th September 2021
Authors Notification : 30th September 2021

About the DBUU:

Dev Bhoomi Uttarakhand University, Dehradun, Uttarakhand situated in the land of Gods, has stood true to its name and pledged to provide a world-class education and best possible facilities to its students. With the tenacity to step in the education industry and constant perseverance, today DBUU is amongst the top University, with multifaceted regimes and courses. Dev Bhoomi Uttarakhand University, Dehradun took its first steps in the world of education as Engineering College in Dehradun (DBIT). Subsequent to its commencement in the year 2005, the growth chart of the University has been phenomenal. The University provides the perfect blend of theoretical and practical knowledge.

About Biotechnology Kiosk:

Biotechnology Kiosk (BK) was founded in May, 2019 by Dr. Megha Agrawal and Dr. Shyamasri (Shya) Biswas to serve the global biotechnology and medical science community. BK is the monthly peer reviewed open access international research journal in biotechnology that covers all areas of biotechnology.

About the Conference:

This international conference is part of a collaborative initiative between the School of Allied Sciences, Dev Bhoomi Uttarakhand University (DBUU) in India and Biotechnology Kiosk (BK), an International Journal in Biotechnology in the USA. This conference provides a much needed platform to bring together experts, both from academia and industry as well as students and other researchers and media and government professionals to discuss the science and problems along with new ideas and solutions to mitigate the severity and health challenges posed by the COVID-19 pandemic.

All the accepted abstracts for the meeting will be invited as full papers and fast-track peer reviewed and published in BK with individually assigned DOIs (Registration Fee: Rs1,000/ and Publication fee will be informed on the selection of the paper).

Themes of Conference:

- ❏ Epidemiology, Transmission and Genome Structure
- ❏ Viral Protein, Crystal Structure and Sequencing
- ❏ Different Variants and Third and Fourth Waves of COVID-19
- ❏ Diagnostics & Surveillance
- ❏ PCR, Point-of-Care, Microfluidics and Other Methods including Nano-Bio Techniques
- ❏ m-RNA, Anti-Viral Drugs, Antibody, Protein Engineering and Therapeutics
- ❏ Vaccines and Distributions
- ❏ COVID-19 and Co-Morbidity
- ❏ Neurological Disorders and Heart Health in COVID-19
- ❏ Social Awareness, Government and Media's Role
